No. 449.—The following is published for information:—

PROCEEDINGS OF THE REVENUE DEPARTMENT, No. 1223, DATED 27th AUGUST 1934.

[Subject.—Local bodies.—Work done by Revenue Department.—Transfer.]

In G.O. No. 837, Revenue, dated 26th June 1934 (published in notifications No. 412 in Part I-A of the Port St. George Gazette, dated 12th June 1934), it was stated that reports and work would be carried in respect of the district of work entered in Appendix I to B.P. No. 56, Local Revenue and Settlement, dated 14th July 1930, under (i) Local bodies—d. Treasury work and items (4) to (7) under (a) Municipalities. The Government now pass orders as follows:

1. Under the scheme issued in G.O. No. 2340, L. & M., dated 25th September 1933, the position of a Government treasury in relation to local bodies is similar to that of a bank and the treasury office has now merely to keep a ledger for each local board at the headquarters treasury or sub-treasury on which the local board operates.—The items of work mentioned under—(i) Local Bodies—d. Treasury work in Appendix I to the Board's Proceedings have therefore become unnecessary and need not be done by the treasury departments.

2. Items (4), (5) and (7) under (a) Municipalities in Appendix I to the Board's Proceedings, viz., maintenance of the accounts of municipal receipts and charges, municipal objects loans and general deposit register so far as they are items pertinent to ordinary banking work and also a correspondence regarding accounts from municipalities, should continue to be done by the Revenue Department.

(By order of the Governor in Council)

R. W. LANE,

Acting Secretary to Government.

REVENUE.—No. 2352-1, L. & M., DATED 27th AUGUST 1934.

Paragraphs 1 to 3 of G.O. No. 1223, Revenue, dated 27th August 1934, are recommended to local boards and municipal councils.

No. 101.—The following G.O. No. 425, Finance, dated 1st September 1934, is published for information:—

Consistent with the introduction of monthly and quarterly audits in respect of district municipalities with reference to paragraph 4 (a) of G.O. No. 3014 Finance, dated 27th November 1932, and paragraph 1 of G.O. No. 92, Finance, dated 20th January 1934, it has been found necessary to extend the period of six weeks allowed under article 25 of the Municipal Councils Code for the return of all bills to the Comptrol, as it is essential that objections raised in the course of audit, should, as far as possible, be settled before the next audit is held in April. The Government, accordingly, direct that the period of six weeks be reduced to three weeks in the case of municipalities at district headquarters and to twenty days in the case of village municipalities. The compliance of municipalities are requested to adhere to the limit of time prescribed in paragraph 2 above.

3. In the case of objections for which the Comptrol or higher authority is necessary and regarding which there may be unavoidable delay in replying to the audit objection, the chairman may state in their reply that the same have been or will be placed before such authority and the result intimated in due season.

Port St. George, August 27, 1934 (G.O. No. 2113, P. 11)

No. 462.—In G.O. No. 1204, P. H., dated 25th June 1933, the Government directed that the petty and other emergency allowances paid to plague inspectors should be abolished with effect from 1st July 1933. As the intention of Government in abolishing these allowances was to substitute fixed travelling allowances, Collection was requested to submit proposals for the grant of such allowances with a clear explanation of the necessity thereof with reference to the introduction of such plague inspectors and the amount of travelling he had to perform. In the meanwhile plague inspectors employed in rural areas were permitted to draw travelling allowances according to the rules laid down in the Malacca Travelling Allowance Rules for persons performing in the discharge of their duties.

2. The Government have carefully considered the suggestions received from Collection and are pleased to direct that:—

(i) plague inspectors in rural areas shall be entitled to draw a fixed travelling allowance of Rs. 50 per annum for journeys performed in ordinary trade; and

(2) a fixed travelling allowance of Rs. 50 per month for journeys performed in the special train mentioned in Annexure VI to G.O. No. 116, Mysore, dated 1st September 1922; provided that they shall not for not less than twenty-five days in the month. The allowance will be subject to a proportionate deduction for short leave.

3. The expenses incurred in travelling may be given a scale allowance of Rs. 5 per month subject to the condition that they actually keep day tickets.

The Government for a standard rent for other Government buildings used as a residence and under rule 40 (4) of the Municipalities Rules the amount of the building is required to pay rent for it which shall not exceed the standard rent of 10 per cent of the occupant's emoluments whichever is less. The standard rent is calculated on the basis of acquiring or constructing the building without any capital expenditure incurred after acquisition or construction together with the cost of annual maintenance of the site and repairs to the building which the building may reasonably be expected to let. The Government therefore consider that the standard rent for such buildings should be added to the gross annual rent of such a building under section 42 (2) of the Madras District Municipalities Act and that it is necessary to adapt the provisions laid down in G.O. No. 1692 W, dated 1st November 1922, for fixing the municipal ownership. The Government accordingly amend the instructions in G.O. No. 1692 W, dated 1st November 1922, and No. 1244, L. & M., dated 25th November 1922, in so far as they relate to residential buildings and direct that the provisions prescribed in the former order should be followed only in regard to Government buildings and used as residences.

3. All Chairmen of Municipal Councils are requested to adapt the standard rent fixed for Government buildings used as residences to the gross rent for purposes and assessment of property tax and revise the existing assessments as early as possible and give effect to the revised assessments in the next year under rule 4 of article IV of the Madras District Municipalities Act, 1924.

Fort St. George, August 28, 1924 (G.O. No. 2384, L. & M.).

No. 806.—Several instances have been brought to the notice of Government in which Chairmen of Municipal Councils and Presidents of District Boards have granted to their subordinates leave and leave allowances in excess of what would be admissible in Government service of similar standing and status. The attention of Chairmen and Presidents is in this connection invited to the provisions of paragraph 10 of the Madras District Municipalities Act, 1924, and section 21 (1) of the Madras Local Boards Act, 1920, and they are requested to see that their subordinates are granted leave and leave allowances which Government servants of similar standing and status are eligible for. Applications from municipal and local board subordinates should be carefully scrutinized with a view to guard against any attempt in the matter. Any irregular payment made is liable to be surcharged on the person responsible therefor.

Bill to be introduced in the Council of the Governor of Fort St. George for the purpose of making  
Laws and Regulations.

Under rule 20 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information :—

BILL No. 14 of 1924.

*A Bill further to amend the Madras City Municipal Act IV of 1913.*

WHEREAS it is expedient further to amend the Madras Municipal City Municipal Act, IV of 1913; it is hereby enacted as follows :—

1. This Act may be called the Madras City Municipal (Amendment) Act, 1924.

Amendment  
of section 186,  
Act IV of  
1903

2. In section 186 of the Madras City Municipal Act,  
In the proviso to clause (1) and in clauses (2) and  
(3) for the words 'one hundred and twenty' the word  
'sixty' shall be substituted.

#### STATEMENT OF OBJECTS AND REASONS.

Under the Madras City Municipal Act IV of 1903 which is now in force dwelling houses whose annual value is less than one hundred and twenty rupees are denied the private service of water except with the sanction of the Sanctioning Committee. There is quite a large number of houses which are below this assessed value. These are chiefly tenanted by the poorer classes who constitute the bulk of the city population. Arrangements in such cases have to be made to the Sanctioning Committee for exceptional treatment and in most cases this treatment has been denied. A serious hardship has been felt by these classes who unfortunately for want of adequate supply of water become the easy victims to all epidemics and diseases.

It is therefore proposed to de away with the intervening authority of the Sanctioning Committee in case of buildings assessed at an annual value ranging from Rs. 50 to Rs. 120.
